Introduced 11-13-15

Approved 11-13-15

TITLE: Modification of the State Approval of Teacher Education (SATE) Approval for Kahuawaiola Indigenous Teacher Education Program's Hawaiian Language Immersion Program Levels

The Hawaii Teacher Standards Board approves the following modification to Kahuawaiola Indigenous Teacher Education Program's State Approval of Teacher Education (SATE) approval for the Hawaiian Language Immersion Teacher Education Program:

- Kahuawaiola's Hawaiian Language Immersion Program may allow teacher candidates to declare a program focus of secondary 6-12 in addition to their current program approval for P-3, K-6, and P-12. A letter and matrix from Kahuawaiola explaining program modifications to accommodate a 6-12 focus are attached.
- Candidates completing the program with a 6-12 focus, including student teaching at the 6-12 level, will be recommended for licensure in Hawaiian Language Immersion 6-12.

The Board makes this modification to address the needs to teacher candidates who are employed full-time as secondary teachers and unable to accommodate placements at both P-6 and 6-12 levels as required for recommendation for the P-12 level license.

A letter shall be sent to Kahuawaiola on behalf of the Board to communicate this decision.

TITLE: 2015-2016 Goals for the Executive Director

The Hawaii Teacher Standards Board approves the following goals for the Executive Director for the year ending June 30, 2016:

1. Convene a workgroup, composed of interested stakeholders, to develop a plan for an alternative route to licensure in shortage areas which allows Emergency Hire teachers to meet the competencies and requirements for licensure and which provides a route for Educational Assistants to simultaneously complete a bachelor's degree and preparation program;
2. Develop a plan for partnering with other Council for Accreditation of Educator Preparation (CAEP) and National Association of State Directors of Teacher Education and Certification (NASDTEC) member states to provide for participation by out of state reviewers on virtual reviews of units and programs seeking initial state approval of licensure programs;
3. In collaboration with the Licensing Specialists update the Customer Service/Communication Plan and deliver training deemed necessary for Licensing Section staff.
